

APPLICATION FOR ENROLMENT NOTES BOOKLET

This Notes Booklet contains an outline of the steps to follow to complete the Application for Enrolment, further explanation of some of the terms and requirements in the form, as well as an Appendix which lists the Parental Occupation Groups.

Student Information

This section collects basic information about the student.

- The Legal Surname, Legal First Name and Date of Birth of the student must be provided and be identical to the names on the student's Birth Certificate.
- Where a student has legally taken a different surname and/or first name to that which is shown on the Birth Certificate, the student's Birth Certificate is to be accompanied by a Change of Name Certificate. In these circumstances, the Legal Surname and Legal First Name provided is to be identical to the names on the student's Change of Name Certificate.
- If the Parent/Legal Guardian requests that the student be known by a different surname or first name whilst at school other than the names which appear on the Birth Certificate or Change of Name Certificate, this information can be entered as Preferred Surname and/or Preferred First Name.
 - In these circumstances, the Principal must be satisfied that such an action is not intended to defraud, to contravene a Court Order or to infringe the rights of the other parent.
 - Once approved, the Principal will endeavour to ensure that informal school records reflect the preferred names.
 - All formal school records however, such as enrolment documents and report cards/progress reports, will reflect the student's legal name as shown on the student's Birth Certificate or, if applicable, the student's Change of Name Certificate.
- A legible copy of the student's Birth Certificate (and a Change of Name Certificate, if applicable) is to be provided with the form for the school to retain on file.

Provide details of a student's siblings, where those siblings attend a BCE school:

- The Legal Surname and Legal First Name of each sibling is required and is to be identical to the names appearing on each Birth Certificate (or Change of Name Certificate if applicable)
- The Date of Birth of each sibling is required to match the date as it appears on each birth certificate

Whether a student born in Australia is an Australian citizen by birth depends on their date of birth.

- People who were born in Australia between 26 January 1949 and 19 August 1986 were automatically granted Australian Citizenship at birth
- People who were born in Australia on or after 20 August 1986 were not automatically granted Australian Citizenship at birth. However, Australian Citizenship was generally acquired if at least one of the parents was an Australian citizen or permanent resident of Australia at the time of the birth
