Dear Members of the Emmaus College Community

Our Year 10 Science students who recently won the regional Science and Engineering Challenge will now compete in the State Championships in Toowoomba. We wish them well in the competition and trust they will enjoy the experience. It is a great opportunity for the students to be involved in some very exciting science projects.

The College Junior Boys Volleyball Division 1 and the Open Girls Volleyball Division 2 won their divisions at the SECA finals last week. There are eight schools in the competition with the standard of play very high. Congratulations to the students and their coaches, Mr Oberle and Mr Gray.

Work on the oval began last Monday and already significant progress has been made however, it will take 3-4 months to complete. We are looking forward to having an exceptional oval precinct for the start of next year.

Last week we were privileged to host students, elders and staff from Warralong School in Western Australia. As part of their Emmaus experience the Musical cast performed during lunch, students from the College buddied them during the day and they visited a number of classes. It was a pleasure to reciprocate the hospitality shown to our students and staff when they visited Warralong last year.

I came across this interesting article that I would like to share. It’s from a book called Why Nations Fail: The Origins of Power, Prosperity & Poverty. (Daron Acemoglu and James Robinson)

THE BETTER SIDE OF THE FENCE

There is a city in Arizona called Nogales. It is an unusual city because a fence runs through the middle. On one side of the fence people have jobs, schools, good roads, hospitals and thriving businesses. On the other side, people are generally poor, many children are sickly and die young, the roads are full of pot holes, there is a high crime rate and if you want to run a business you will have to bribe local officials and criminals.

Why are the two sides of the fence so different? The main reason is that one half is in the United States where there is a strong government based on law. Citizens know they can seek justice, that their taxes pay for good services, there are good schools and the police will protect them and their property. Everything isn’t perfect there but it’s a world away from the other side of the city which is in Mexico. Like many countries in South America, Asia, the Middle East and Africa, here society is based on inequality – a small group of people exploit the poor, keep the riches of the country for themselves, allow crime to prosper and stand in the way of the change and progress that might reduce their power.

These are the countries that many refugees and emigrants come from, seeking better opportunities and a better life in countries like the USA, Australia and New Zealand where we value fairness and equality. We educate our children, look after the sick and the old and work hard to make sure our people live decent lives free from fear.

But it all starts with the individual. How do you contribute to keeping our community fair and safe? Do you treat everyone with respect? Do you take only your fair share? Do you stick up for those who need your help? Do you obey the rules that make all our lives safe and enjoyable? Do you look after the environment that you live in? Do you help make life at school a good experience?

Most of us do and that is why we live in countries that are the envy of many in the world. But it all depends on us, each one of us. It is up to us to make sure that our side of the fence is a good place to be – and then to try to help those less fortunate on the other side of the fence.

Every blessing for the week ahead.

**AFTERNOON PICK-UP ARRANGEMENTS**

Supervision is provided after school for all students waiting to be collected by parents at the bus shelter and at the drive through area outside Lomandra. Students are not to wait in or around pod areas after school. Please remind your children about this so that we can work together to ensure the safety of students after 3.00pm.

**PARENT INFORMATION SESSION (EARLY YEARS)**

Thanks to all who attended the parent information session last Friday about Reading and Home Readers. Over 40 parents attended and were able to listen to information about the programs and strategies in place to support the literacy development of students at Emmaus. Parents play an important role in supporting this development by spending time with students at home each night; listening to them read, discussing what the book is about and asking questions to check both literal and inferential comprehension.

Thanks to Mrs Koranias and Mrs Hayes for organizing and presenting this session. Please let us know if you were unable to make the session but would like some information about reading.

**SENIOR EDUCATION & TRAINING PLANS**

Last week we interviewed all Year 10 students to develop their SET Plan which will guide them on the achievement of their goals over the next two years. It was wonderful to talk with each student and many parents and share in some of the hope and expectation of setting goals and looking toward the fulfillment of dreams.

This visioning is very important to keep the motivation high when the excitement of new beginnings dies away. I remind all Year 11 and 12 students to remember their vision for their schooling and work hard for the remainder of the year to bring it to fruition. As parents we have a special role in supporting and guiding our young people in their schooling and the more active a role we take the better off they will be. My sincere thanks to all the parents who managed to make time in their busy schedules to attend the SET Plan interviews with their child.

**SECA**

Our interschool winter sport competition is now over and I offer congratulations to all students and staff for their efforts with the SECA competition. As usual our students were wonderful ambassadors for Emmaus and joined in the sports with appropriate competitiveness and camaraderie. Congratulations to the Senior Girls Division 2 Volleyball and Junior Boys Division 1 Volleyball who won their finals and the Junior Boys Basketball who placed second.

**ATHLETICS CARNIVAL**

Today is our Years 3 -12 Athletics which is yet another great example of community spirit and atmosphere. It is inspiring to see our younger and older students mixing and displaying all the values of Emmaus and in this Olympic year the Olympic values as well. I am sure when Baron Pierre De Coubertin founded the modern Olympics he had in mind that people all over the world would be inspired to live daily the Olympic values of respect, excellence and friendship.

**ADF LONG TAN LEADERSHIP & TEAMWORK AWARDS**

Each year the Australian Defence Force sponsors awards for Australian school students who display the attitudes and values of the ADF. Emmaus is proud to participate in the awards again this year and students in Years 10, 11 and 12 are encouraged to nominate themselves for the award. Emmaus will receive 3 awards – one each for Years 10, 11 and 12 and students may self-nominate or be nominated by staff. If you believe your child displays any or all of the values of Leadership, Teamwork, Values, Problem Solving, Resourcefulness, Communication, Cooperation or Community Involvement please encourage them to apply.

Stephen Adair
It was great to see so many parents attending our information session about reading and home readers on Friday. It was wonderful to be able to share the reading that is happening in our classrooms and discuss reading at home through the use of home readers. This week is very exciting as the Prep students will be taking home readers home for the first time.

The importance of home readers:
- Home readers should be read fluently, confidently and easily
- An opportunity to practice reading strategies that are being taught in classrooms
- Practice comprehension strategies when parents ask questions and talk about the books

Remember to talk about the book before reading, ask questions during the reading process and discuss favourite parts or what happened in the book after reading.

Home readers are for students in Prep to Year Three. Students in Years Four to Six should be choosing their own books and reading every night. There is a section in the diary to record how many pages students have read.

Things to remember about home readers:
- It’s the students responsibility to hand in their home reading folders
- The books are changed at the library and returned by the afternoon Monday – Friday
- If you would like to help change home readers of a morning please visit the library and speak to Mrs Schuster

The more students read, the more practice they will have. The more students read the more words they are exposed to which will help develop writing and spelling. The more students read the more confidence and fluency they will develop.

Happy Reading!
Marie Koranias

templates.aspx provides a range of graphic organisers to help transform information from one source, e.g. a textbook, into a format that suits your learning style or preference. For other study hints and resources visit the Study Vibe website. At the College, class teachers, PC teachers, Coordinators, and Guidance Counsellors are just some of the personnel on hand to assist. Don’t forget, your classmates are an invaluable resource for you. Form a study group and help each other!

Some important reminders about assessment:
- The assessment calendar is available on the College website under “For Students”. While all care is taken to abide by these dates there are times when changes are unavoidable. These will always be communicated via the student diary. A good rule of thumb is to have the assessment prepared by the published date, because any change will always be later, not earlier
- Extensions of time for the completion of assessment are available in certain circumstances. Applications need to be made at least 3 days prior to the due date by collecting the correct form from the AP-Curriculum (7-12)
- If you will be absent for assessment it is your responsibility to seek out your teachers and make alternative arrangements
- Technological failure is not grounds for an extension of time. Ensure all printing is completed prior to the morning of the due date
- In the event that a final assessment task is not presented on the due date, the draft assessment will be used as the evidence of achievement in that subject
- In Years 11 & 12 a medical certificate is required for any absence on the due date of assessment

Best wishes for completing your best work this term.

FROM THE ASSISTANT PRINCIPAL - CURRICULUM & TEACHING: 7-12

I know of no more encouraging fact
than the unquestionable ability of man
to elevate his life by conscious endeavor
Henry David Thoreau

As the demands of assessment begin reaching their peak, the need for “conscious endeavor” is paramount. In order to learn and succeed we must consciously, deliberately, and purposefully seek out the information, strategies, and help we need. This is even more critical when the material does not come easily to us. For me, that is Mathematics! Like any form of exercise, workouts for our brains should be strenuous, persistent, and ultimately exhilarating. But it takes effort, and the only person responsible for that effort is you.

There is a wealth of online material that can assist you to practice skills and to organise information. For example, http://www.studyvibe.com.au/Tool-box/Trusty-

FROM THE ASSISTANT PRINCIPAL - STUDENT WELFARE

Recently Emmaus College hosted students from Kisarazu Sogo High School (Tokyo). It was a wonderful experience for everyone involved. I would like to thank all of the families; teachers and students who helped make this exchange event such a great success.

Thank you to Jessica L (Year 10) for contributing the following reflection on this experience.

KISARAZU SOGO HIGH SCHOOL VISIT

From Friday the 20th of July to the 27th, Emmaus College was visited by 13 students from Kisarazu High School (Tokyo). Whilst they were here they stayed with a number of Emmaus families and had a great time. Whilst they were at school they were accompanied by a buddy from Year 10, who showed them around and generally became their “how to guide” at school. Over the duration of the week we came to know our buddies even more, and began to better understand their culture. Even though at first it was difficult to communicate with one another (with the obvious
language barriers), we found a way to communicate through translators and translation books.

When their last day at Emmaus came around, all Year 10 buddies were extremely sad to see our new friends leave and we promised each other we would keep in touch with the hope that maybe one day we would be able to see one another again. It was an extremely positive experience to have the opportunity to spend a week with the exchange students; we not only got to learn more about Japanese culture, but we made lifelong friends.

Jessica L – Year 10

**WARRALONG VISIT:**
Emmaus College played host to fifty indigenous students, thirteen elders and four teachers from Strelley Community School Warralong. This school community welcomed some of our Immersion Experience students last year. They were at the end of their week long excursion to South East Queensland and we were delighted to be able to return the welcome. One of the aims of the day was to build friendly relationships for future visits. The students and teachers of Emmaus ensured the success of the day, providing activities, lessons, and lunch. The cast of the musical Grease performed three songs and dance movements for our guests and encouraged them to join in. Thank you to all involved for a very special day.

![Map of Warralong](image)

**MACKILLOP DAY:**
During the week Emmaus students and teachers celebrated the feast day of Saint Mary MacKillop. The students were allowed to wear green for the day and received an ice block at the first break. In class we prayed that we might be willing to follow her motto: “Never see a need without doing something about it”. MacKillop House members were also able to be involved or watch the staff/student game at lunchtime.

**COMMUNITY ACTION CAPTAINS REPORT**

**ST VINNIES SCHOOL SLEEPOVER**
St Vincent de Paul is an organisation that is well known for the work it does with those who need a helping hand in our communities. One of the more high profile events run by St Vinnie’s is the CEO sleepout, which occurs at Southbank Piazza each year, as well as around the country.

There is also a school’s sleepover, and the Community Action Captains – Spencer and Michaela - are hosting a sleepover at the college for Yrs 7–12 students. There are ‘officially’ more than 105,000 Australians who are homeless and a quarter of those live in Queensland. Through ‘sleeping rough’ for one night during winter, the School Sleepover hopes to bring about awareness of the realities faced by members of the community with no place to call home.

The event will be held in the Warehouse on Friday 17th August, with registration opening at 6pm. There is access to water and toilets, and it allows for a more authentic experience for students. Students should dress sensibly (the evening will be cold) and bring appropriate bedding (sleeping bag/blankets/pillow) for themselves. They are not to bring air mattresses, as the idea is to ‘sleep rough’ for the night.
Students are also asked to bring a donation as their entry fee. In consultation with the local St Vinnies branch, students are asked to bring something that others can use for bedding; i.e. a pillow, a blanket, a sheet set. These do not have to be new, but do need to be clean and in reasonably good condition.

Permission notes will be coming home this week. Thanks for your support of this great event.

Spencer & Michaela—Community Action Captains

BOOK ACTIVITY DAY—24TH AUGUST 2012
This year our Book Activity Day will be held on a Friday. We will start with our annual Book Parade in Lomandra and then the students will be partaking in a suite of activities based on the CBCA Shortlisted Books 2012.

Students and teachers are encouraged to dress up as a book character and bring their book along with them to the parade. In years gone by, it has been wonderful to see the children choosing a book character that they really relate to. It does not have to be a fancy costume, but rather some costume that shows that the student has engaged with a book.

It will be a fun day for all.

PREMIER’S READING CHALLENGE
Congratulations Emmaus Students. We have 109 students who have completed the challenge already and many more really close to finishing. Remember Home Readers count as a book. Keep up the good work.

VOCATIONAL EDUCATION & TRAINING NEWS

CONGRATULATIONS TO...
Sarah H 10HOWC for successfully obtaining a School based Traineeship in a Certificate III in Retail at Bakers Delight Jimboomba and also Tylor D 10VAU in obtaining a School based Apprenticeship in a Certificate III in Boilemaking at RPG Australia at Wacol.

YEAR 10 STRUCTURED WORKPLACE LEARNING
As part of Certificate I in Work Education we will be preparing to complete Work Experience the week of the 29th of October. This year we will be asking students to find their own placement as this encourages the student to take ownership of this opportunity and makes them really think about future career choices. Letters will be posted home shortly, please keep an eye out for them. Please take note of important dates related to Work Experience and the dates that forms are due to be returned and contact us if you are unsure of anything.

If you own a business and are willing to take on a work experience student or know of anyone that would be interested please contact the College and speak to Darren Paten or Michelle Whyte for further information. All insurance is covered by the College and this is at no cost to any party involved in the process.

MSIT INFORMATION EVENINGS FOR 2013 TAFE
If you are looking at a TAFE option in 2013, as part of your subject preferences for MSIT you are required to attend an information session at the campus relevant to the program you are interested in.

PWS (Partnership with Schools Program) Information Sessions for 2013 are to be held on the following dates:

Tuesday 21st August – Loganlea Campus
Wednesday 22nd August – Mt Gravatt Campus
Thursday 23rd August – Alexandra Hills Campus

These sessions are the only opportunity for students/parents to talk first hand to teachers and educational staff to gain program specific information before applying and enrolling with PWS. Check out the website www.MSIT.edu.au for more information or speak to Mr Paten or Mrs Whyte.

TAX FILE NUMBERS (LAST CHANCE FOR 2012)
Students from Years 10-12 have the opportunity to obtain a TFN through the school. If your student is thinking of
getting a part-time job outside of school/traineeship or apprenticeship this process usually takes 4-6 weeks to process. By applying through your school you don’t have to provide any documents to prove your identity, because the school verifies this for the ATO. So if you missed out on applying for your TFN in the first term, but are still interested, this is the last opportunity to get one. If you are interested please obtain a TFN application from Student reception or Mrs Whyte in Flindersia and return to the school by 14th August.

SAT VACANCIES AVAILABLE
The VET Notice Board in Flindersia is now updated with all new Vacancies including Certificate III in Disability, Certificate II and III in Business Administration and Business as well as Hospitality and Retail.

We also have local companies seeking Trainees in Plumbing, Cabinet Making and Hairdressing. These opportunities will be closing to applicants soon, so do not hesitate.

If you are interested in seeking more information regarding any of these positions or just want further information regarding SATS please feel free to call the school to speak to Darren Paten or Michelle Whyte or alternatively make an appointment to meet with us.

SPORTS REPORT

SECA
SECA has concluded for the year. All students who participated did a great job and tried their hardest. They also represented the college with pride. Unfortunately we did not win every premiership but we did win the Open Girls Division 2 Volleyball (which was made up mostly of Junior Girls), and the Junior Boys, Division 1 Volleyball. To find out where your son/daughters teams finished you can go to http://www.seca.sportingpulse.net.

ATHLETICS CARNIVAL
The 3-12 Athletics Carnival will be held at Jimboomba Little Athletics, Henderson Rd, Jimboomba on the 14th of August (Term 3 – Week 6). This day is compulsory for all students at attend. Age Champions will not be announced on the day. They will be announced at assembly the following week. Age Champions are determined by the most points accumulated across all disciplines. House Champions, however, will be announced on the day.

Training for various athletic events will continue this week on Tuesday and Wednesday afternoon from 3:10 – 4.00 pm. This training will be open for students aged 13 – Open. Tuesday afternoon we will run Discus, Javelin and High Jump Training with Miss Wakeford and Mr Oberle, and on Wednesday, Discus, Javelin and Sprints with Mr Bolland, Mrs Faulks and Teneille C (Yr 12). I would encourage all students to utilize the skills of the members of staff on each session. Any students wanting to be selected in our Athletics team should attend.

Please contact the college if you have any queries regarding sporting events, venues and general information.

P&F UPDATE

NEXT MEETING
Our next meeting is Monday 20th August at 8.45am in the Lomandra Centre. Everyone is welcome – so come along to have your say on any issues of concern or to make suggestions on how we can make our school even better. If you can’t make it, please feel free to email agenda items you want discussed to: pandfsecretaryemmaus@gmail.com
If you would like to join the P & F email list, send us an email!

FATHERS DAY STALL
Following the success of our Mothers’ Day Stall, we are organizing a Fathers’ Day stall to allow children to buy presents for Dad (and Grandpa).

The stall will take place during Wednesday 29th August and each class will be allocated a time - gifts will range in price from $2 to $20. We would love some parents who can help with wrapping presents in the Lomandra Centre on Friday 17th August from 8.45am and Monday 20th August (after the P & F Meeting if required) and manning the stall on the 29th. Please either email, or phone Richelle on 0410 502 431, Raelene on 0402 907 977 or Selma on 0408 077 427 to let us know if you can help.

SECOND HAND UNIFORM SHOP:-
A reminder that the Second Hand Uniform Shop opens on Mondays at 8-9am and Wednesdays at 2.30-3.30pm. This is a great way to pick up a bargain and to recoup some money when your child grows out of their uniforms. Bring in your old uniforms for consignment sale! All enquiries: Rhonda 0430 519 876 – between 9am to 4pm or leave a message on the P&F email.

Bookclub
Bookclub Orders and Payment are due Monday 20th August - all orders can be handed to the library. NO LATE orders will be accepted. Any questions please call Raelene on 0402 907 977 or leave a message at the office.

Selma Schuller – P & F Secretary

FROM THE TUCKSHOP

GET WELL SOON
A big thank you to all our volunteers who are committed to helping us out. However, quite a few have been affected by the cold and flu season and haven’t been able to come in to help. We wish you all a speedy recovery and look forward to you coming back soon.

PATIENCE PLEASE
As we have been short on volunteers due to illnesses, this has in turn affected production. Please be patient during this busy time as there may be some delays.

Leanne Fullerton & Simone Partridge
**Year 9 Students**

Students in Year 9 transitioning from Middle School and beginning their Senior years in 2013, will be required to wear a College Blazer and a Formal Felt Hat as stated in our College Uniform Policy.
